From sourcing to selling, Alibaba's digital ecosystem is a natural fit

“12 years ago we began sourcing packaging and ingredients for our natural beauty products from Alibaba.com. Eliminating middlemen made production cost effective, allowing us to grow and create jobs. We're now selling to Chinese consumers via Tmall Global. Alibaba has been a trusted partner throughout the evolution of our business.”

— Ric Kostick
Co-founder and CEO

Collectible-sneaker seller gets its China kicks with Tmall Global

“Collectible sneakers is a \$6 billion industry and is particularly popular in China. Stadium Goods had its eyes set on China very early on. We decided to partner with Tmall Global because it is a trusted platform and it is where Chinese consumers go to shop. Tmall Global empowers our young company's grand ambitions.”

— John McPheters
Co-founder and CEO

Beryn Yang ✉ berny.yang@cbrands.com

Venerable vintner uses Tmall to educate and understand China consumers

“ We have had great success selling wine from our Napa Valley vineyard into the Chinese market. Tmall allows us to engage with the Chinese consumer by educating them about our wines. Tmall also enables us to tap into the consumer data which really helps us understand our consumers’ profiles and preferences. ”

— Beryn Yang
Vice President of China

Ocean Spray works with Alibaba to ignite a passion for cranberries

“ The Ocean Spray® brand is close to 90 years old and well known in the United States, but as we begin selling cranberries in China, we need to educate consumers on our unique fruit and business. By working with Tmall Global we can introduce new products and tell our brand story, allowing us to truly connect with Chinese consumers. The sky is the limit in China, and Ocean Spray is excited about what’s ahead in our partnership with Alibaba. ”

— Peter Wyman
President

Bringing Wisconsin ginseng to China equates to growth in U.S.

“ We are a family business that has been growing the best quality ginseng in Wisconsin for 40 years. We’ve taken Alibaba’s lead on e-commerce and digital transformation by selling directly through Tmall. Growth in China means growth in the US. Our successful Alibaba partnership creates jobs and boosts the local economic development of Wausau and Marathon County, Wisconsin. ”

— Paul C Hsu
President

Cosmetics accessories maker has brush with success on Tmall

“ Real Techniques, which sells cosmetics brushes and sponges, was born out of digital and social media which is a major driving force for the brand. This makes Tmall a perfect China partner as we are able to interact directly with consumers through Tmall’s innovative marketing features. We are overwhelmed with the rapid success of our Tmall business, which has exceeded expectations. ”

— Jennifer Bayon
Vice President of International Sales
